SUMMARY

A highly motivated and adaptable fresh graduate with a strong analytical mindset and excellent interpersonal skills. Experienced in mentoring, problem-solving, and asset management during an internship at AICI FMIPA UI. A fast learner with high attention to detail, eager to leverage a strong work ethic and collaborative spirit to contribute effectively within a dynamic and fast-paced organization.

EXPERIENCE

Assistant Tutor & Robotics Technical Support Intern - AICI FMIPA UI

January 2025 – April 2025

- Assisted in preparing and organizing robotics components and equipment based on real-time online spreadsheets for AI and robotics learning activities.
- Supported robotics classes and AI learning sessions conducted every Friday and Saturday for students participating in technology and robotics courses.

Jago Coffee - Mobile Barista / Jagoan

August 2026 – August 2026

- Managed mobile coffee cart operations, including serving customers, preparing beverages, and maintaining equipment readiness.
- Performed daily closing duties: tracked inventory of operational supplies, recorded stock levels, cleaned the cart, and organized equipment for the next shift.
